Helicopter pilot for a day

1 Pers.	2365.00 EUR

A professional instructor is there to help. No previous experience is necessary!

Once to be a pilot himself and control the helicopter. A dream that not only shapes the childhood. The trial flight "helicopter fly itself" makes dreams come true and promises an unforgettable experience. The flight hour is similar to a helicopter training. You take personally seat on the pilot place and become on the double tax familiar with the helicopter.

1. Approx. 1 hour theoretical instruction in the control of the helicopter and the behavior of the aircraft. Providing basic knowledge in the areas of navigation, flight training, aerodynamics, weather, and hands-on training in the handling and control of the helicopter.
2. One lesson (50 min.) trial flight with several landings
3. Lunch
4. One hour theory incl. Meeting of the first flight
5. One lesson (50 min.) trial flight with several landings
6. Approx. one hour theory incl. Meeting the second flight and passing a flight repeat.

Duration of the experience:
Total approx. 6 hours
