Fulfill your friends or yourself a childhood dream!

Once to be a pilot himself and the control take over - We will help you to fulfill this dream. The trial flight "helicopter flying itself" leaves nothing to be desired. The flight lesson is similar to that of a helicopter training. The passenger takes personally a seat on the pilot's seat and is made familiar by a professional instructor with the helicopter on double tax.

No previous experience is necessary!

20 min. helicopter flight
