The Grand Canyon Tour is perfect for Las Vegas guests who are pressed for time and desire to see as much of the Grand Canyon as possible. Departing from the private heliport in Boulder City, the tour includes aerial views of the Hoover Dam and Lake Mead as well as the spectacular Grand Canyon. The tour is hosted aboard one of the luxurious and comfortable helicopters with wraparound windows. These aircraft have been designed from the ground up for sightseeing and feature a nearly 180-degree field of view, passenger-to-pilot communications, and choreographed music. You will feel awe and exhilaration as you fly like a bird on the most extensive helicopter tour there is from Boulder City.
